My dear Mr. Grieg, I have
taken the liberty of inscribing
to you two Preludes written
for piano. It has long
been my desire to
dedicate a piano piece
to you, not only in
admiration of your
works, but in appreciation
of the kindness with
which you have regarded

mine.

If at some future time
you should visit America,
I hope that I shall
have the opportunity of
expressing my thanks
to you.

Believe me

Dear Sir, friend

Yours very sincerely

Félicie Borowski.
