What a lovely time it was!
More than heartfelt thanks
to you two dears for the joy of
it all. And thanks again
for the lovely blouses from
you both. They were lovely.

The concert here is going to
be full.

I had a lovely journey
hid.

It is a horrid
shame you aren't
going to be in Aca
when we are there.

Much love & many
thanks

I think Aca is the photo you don't like!
