Dear Madam

Understanding from
your husband that
you are in England
with Herr Grieg, I
write to say, it will
give us much plea-
: sure if you will
accompany him
and stay at our

house during the
week of the Birmingham
Festival next August.
I feel sure if you
can come, he will
enjoy it more &
also I shall be
able to make him
more comfortable
as you can tell

me what he likes
and dislikes!

He shall be as
quick as he wishes
& shall have a sitting
room where he
can always be
alone if he wants
to ~~be~~ rest. I
hope we shall
have a young
Lady with us

who will like to
speak German with
you. And our
own three children
will complete the
party.

Hoping to have the
pleasure of making
your acquaintance
believe me,

Yours truly
Ada J. Harding
