

16, Augustus Road,

Edgbaston.

Sept. 1911

Dear Mrs Grieg

My husband
has given me the
first copy we have
received, of the
beautiful group,
which, he says,
you were kind

Enough to wish me
to have. It is
owing to your
thoughtfulness &
generosity that
we have this ex-
ceedingly pleasant
remembrance of the
happy Festival week

So please accept
my best thanks
for your kind
thought.

We often talk
of you & Mr. Meyer
& shall hope to
meet you again.
We shall be glad
to hear you have

had a good journey
home. I wonder
if you tried Mad.
Albani's wonderful
powders?

With kind remem-
brances, believe me

Yours sincerely

Ada Harding
