Dear Herr Grieg

I cannot tell you how surprised and delighted I was to receive your beautiful present. - I always admired the Norwegian brooches so much, and it is doubly valuable as having been given me by you.

It will be another very delightful souvenir of the happy Festival week, and the kind

Norwegian friends

It is so nice to think  
that you are coming  
to England again in  
Spring and that we  
shall perhaps have the  
pleasure of seeing you  
and Madame Grieg.

Thanking you again  
very much for the  
lovely brooch

I remain your  
affectionate young friend

Ethel. M. Harding.

Miss Agatha Lawrence  
sends her very kind  
remembrances to you.  
Will you please give  
hers and mine to  
Mr Beyer, when you see  
him.
