Dear Mr Grieg

I do not know

how to thank you enough
for your lovely present -
it was most kind of you
to think of sending it to
me - and it will serve as
an additional remembrance
of the dear Festival & you

I shall value the brooch
all the more as it comes
from Norway and is
the national ornament
worn there -

Birmingham is going to
have a great excitement
this week - Mr Gladstone
Sir William Harcourt -
Lord Spencer & several other
great politicians are coming

down to hold meetings etc
as Father is not a Gladstonian
however he will not be
here - tho' it will be a
Grand gathering -

I wonder Mr Grieg if
when you have a great
deal of spare time - you
will think of the wish
of some amateurs (as well
as of the musical world)
for trio - strings + piano?

Will you perhaps?

When you see Mr Beyer
will you give him my
very best remembrances—
again thanking you very
much appreciated present
believe me to be truly your
young friend
