Dear Sir

Through the medium  
of the Press I have read of your  
proposed visit to England, I  
venture to bring to your notice  
a fact - which I trust - may be of  
interest - I have a daughter, a  
student - at the Royal Academy of  
Music, aged just sixteen years.

who is considered to possess exceptional talent - as a pianist. She is under the special care of Sir Alexander Mackenzie, who is taking a great interest - in her welfare. She, herself, has a great interest in your compositions & has played with great success your Concerto in A Minor, with the London Symphony Orchestra, conducted by Sir A. Mackenzie, & also with the Royal Academy Orchestra at the Queen's Hall, London. It has

occurred to me to submit to you  
the suggestion that on your visit  
to London she should play the Concerto  
under your direction with the Orchestra.  
She is well-known in London & I  
shall be pleased to refer you to  
Sir Alexander Mackenzie for all  
particulars. If the idea meets  
with your approval the occasion,  
I feel sure, would be very interesting  
to all concerned & the musical

public in particular.

I shall be pleased to hear from  
you & hope to receive a favourable  
reply.

Yrs. faithfully,  
F. S. Mess.

I enclose my daughter's  
photograph.
