Herr Edward Grieg.

Broadway, West Croydon, Surrey, England.

I should be very much obliged, if you would kindly give me the information requested in my letter dated June 11 last, conveying my very cordial wishes for your birthday on June 15.

I hope you received my letter safely, and that it gave you pleasure. Last year I sent you congratulations on your birthday too, but I never heard whether you accepted them or whether the letter ever reached you. Surely this year I may have the pleasure of knowing that my words were acceptable to you ?

July 26. 1904.

Yours very Sincerely J. H. S. Jackson
