Hon. Secretary,
Fred. R. Spink, J.P.

Dear Sir,

We shall be pleased to perform the two works you name—if, on further consideration, you prefer them. But as we give only about an hour to your compositions, the two you name will occupy that time. The musical public

would like, I know, to have
some of your popular pieces
— I mean the shorter ones.
Your choral work would
be a great "draw".

Yrs very truly
Fred. R. Sparks.
