Dear Dr. Grieg

23 April
- 1902

Will you kindly send me titles of some of your compositions (Orchestral) to include in our programmes for the above Festival. I have selected the following for Wednesday evening - Oct. 8th

Pianoforte Concerto (Mr. Leonard Borwick)
Suite Peer Gynt.
Landerkenning -
Norwegian Dances.

Friday morning Oct. 10th

Overture - Autumn.
Melodrama - Berflaot -
Symphonic Dances.

I want to add one or two more, perhaps you have something new to England. Have you any songs for Baritone or Bass?

Am I asking too much of you
to play two or three short Norwegian
pieces on the Pianoforte?

Please send me full information
& titles by post return.

With compliments & kindest
regards.

Believe me Dear Dr. Grieg
Yours Sincerely
