Dear Mr. Grieg; Perhaps
you remember the photo
I sent you last year from
Wien which you were
so kind as to write on.
Since then I have given
two concerts in Berlin
and am about to play
in London. I enclose
a program and you will
see I intend playing
your Piano Sonate.

After these few concerts I will study
for two or three years and then come
out as a concertizing pianist. I only
wish to study with pianists and
now I will ask you a great favor.
I would love nothing better than
to meet you and know you and
Mrs. Grieg and would you be so

good as to let me know if you
would mind our visiting you
this summer? I hope you will
answer me and tell me where
you spend this summer as it is
my fondest wish to meet you.

Hoping you are all over your reported
illness, I am in great expectation.

your young admirer,

Anna Struel.
