Leeds, *March 3<sup>rd</sup>* 1892.

Dear Sir,

On behalf of the Leeds  
Musical Festival Committee,  
I have to ask if you will  
supply us with a specially  
written orchestral work for  
the Festival to be held as above.

A Suite has been sug-  
gested; but the Committee  
will leave to you the selec-  
tion of the form.

The Orchestra for our

Festival will be the finest  
that London can produce,  
and your own presence in  
lead as conductor of your  
own work would be highly  
esteemed.

Very truly Yrs

Fred. R. Sparke

Hon. Sec.

Hers Edward Grey.
