Dear Sir,

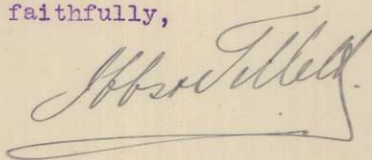

We shall be glad to hear if you could entertain an engagement to play some of your Pianoforte compositions at Messrs Chappell's Ballad Concert, at the Queen's Hall, London, on Saturday afternoon the 12th of October, and if so, upon what terms?

We notice that you are coming to England to conduct at the forth-coming Leeds Musical Festival, and as the Concert referred to takes place on the Saturday during the week of the Leeds Festival, we are hoping that you will be willing to entertain the proposed engagement.

With compliments.

We remain,

Yours faithfully,

Dr. Edvard Greig,
