Dear Madame Grieg,

Thanks for your letter of the 13th Inst,
which has just come to hand. Needless to say I am
very sorry to hear of the decision you have come to,
although I quite understand your reason for not wishing
to visit England next year as proposed. Perhaps on some
future occasion we may have the great pleasure of being
associated with any concert appearances which you might
wish to make in this Country.

With kind regards,

Believe me,

Yours sincerely,
