Dear Mr. Grieg:

We are very much pleased indeed to learn that you have written ~~exclusively for the Century Magazine~~ the paper on Mozart. Presuming that it is the same length as the other (the Schumann) we shall be glad to send you a cheque for the same amount on receipt of the manuscript and to print the article as soon as possible after its arrival which we hope will be soon. We should like to have the article for the musical season.

Our November number is just going to press but we should expect to use your paper within two or three months, there after, possibly in December or January.

Appreciating the compliment you pay us in preparing this paper for the Century,
Very sincerely yours,
R. U. Johnson
Associate Editor.

Mr.
Edward Grieg,
Bergen,

P.S. Is there no hope of our seeing you in the United States next year?
