My dear Frau Grieg.

Percy has told me  
that you & yr. sister are  
coming to England in  
October, are you both coming  
to stay with me?

We leave here for Germany  
Oct-1<sup>st</sup>, or Sep 30<sup>th</sup> but I  
intend returning to London  
about - <sup>£</sup> Oct-12<sup>th</sup>, or

could come a day <sup>or 2</sup> earlier  
if it would be more

Convenient - for you - You  
know I shall love to have  
you both, if you care to  
come, & would let me have  
a post-card (by return  
post - if possible) letting  
me know if you will come  
to ~~me~~<sup>us</sup> & what time would  
suit you best. - I ask  
you this, because I want  
to know early, so that  
I make my German  
arrangements accordingly

As Isabel Du Cane is coming  
with us to Germany, &  
will probably come back to  
England with me. Percy  
will come to London to  
conduct his "Green Buses"  
at the Queen's Hall, & stay  
a day or 2 to give some  
lessons to pupils, before  
returning to Holland —

I am expecting a young Norwegian  
lady from Bergen, daughter of  
Parker Hoyer Sept- 21<sup>st</sup>, to  
live with me for a couple of  
months while Percy is  
away. Miss Rabe asked me

to take her, & I thought - I could do  
so while Percy is abroad. I am  
going to give her some English  
lessons.

Percy had a nice holiday at Snettli.  
I have not been away since he left,  
I was to go to Miss Du Cane's home  
in the country but did not feel  
well enough to make the effort,  
suffering very much of late with  
painful neuralgia. If it does not  
get better soon, I am going to consult  
my doctor in Frankfurt - about it.

Dear Percy & I look forward very  
much to seeing you, & Miss Hager,  
& I hope you will be kind & let  
me know when you would like to  
come, that is, if you think our home,  
& simple mode of living, comfortable  
enough for you. Only let me know in  
good time, & I will try & make things  
as comfortable as I can. With our love  
to you both  
Yrs affectionately  
Bove Grainger

If you are only to be in  
London the earlier part of  
October, I will not go to  
Germany then, but will  
go another time - that is,  
if you will come to stay  
here - You know how welcome  
you will be - as I have  
written you often -
